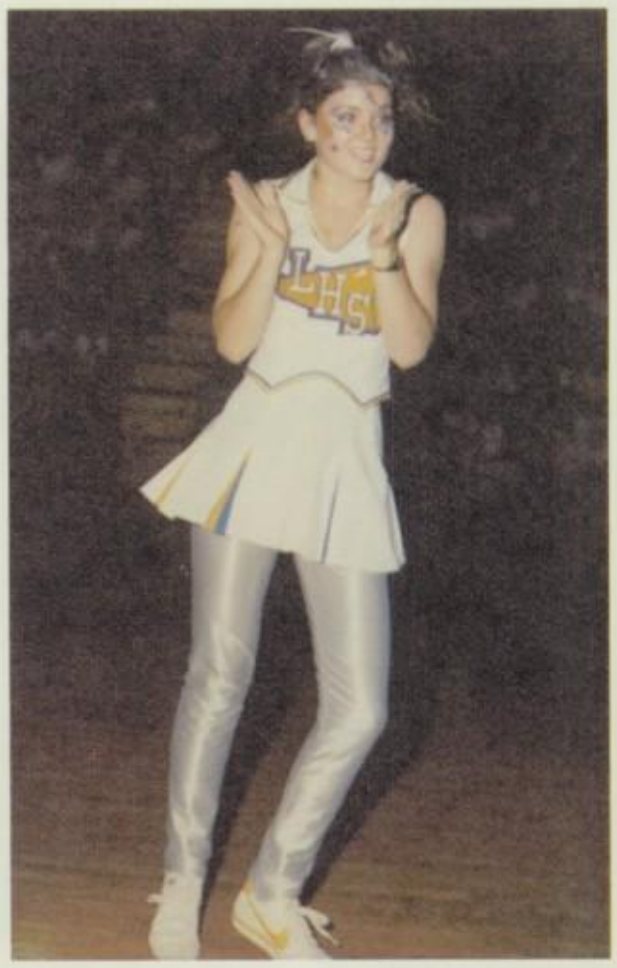
Live each day to the fullest
Get the most from each hour, each day,
and each age of your life
Then you can look forward with
confidence and back without regrets



That's my girl

One can reach and never
achieve,
But one can't achieve
without reaching.

"MOVING UP" through 1982 and into the world of tomorrow has been the goal of our Yearbook Staff.

As we look back on the past year we find that we have moved up into an anxious world, eager to use our knowledge and abilities.

We, the GREYHOUND STAFF, feel privileged to have been selected to compile all the joys, sorrows, accomplishments, and honor of Lyman High School.

Join us as we *all* move up into our future, and keep this book as a reminder of our rise to graduation and the fulfillment of our dreams.

In Memoriam

Adam Demino
1963-1982

Mom,

It has been so great working with you and all the guidance staff. I know it is going to be hard to stay away from you all. Im really going to miss you all so much. I hope that my college schedule doesn't keep me from coming around to see you often. I know it will be hard for you all to continue without me≡do try! (Ha). You have been one of the most helpful and pleasant people I have met. You have always been understanding and able to cheer me up when the world is falling in. For all of those times, I owe you a big THANKS!

Good luck in the future and I hope that one day soon the entire guidance department will get organized and stop fussing about the work they don't have to do. Take good care of Carole.

I love you!
